Project Architect
5-10 Years Experience; Healthcare or Sports/Recreation Experience Preferred

Are you looking to leverage your passion to bring client stories to life? Are you seeking a great work environment and quality of life balance? ALSC Architects is seeking an enthusiastic, collaborative Project Architect to join our team.

ALSC is a team of creative professionals who lead a clear principle-based design process, delivering simple yet powerful architectural solutions authentic to our client's mission, culture and vision. We believe design has a profound opportunity and responsibility to inspire and make a difference in our lives.

Job Description:

The Project Architect is responsible for the architectural integrity of projects – including overseeing design, technical design, and meeting the client's program. Our ideal candidate possesses a proven ability in problem identification and problem solving, is self-directed, is actively engaged in their professional development, and has a strong desire to mentor other members of the team.

Qualifications:

- Demonstrated skill in architectural design with a strong design sensitivity and ability to contribute collaboratively to the design quality of projects.
- Design, coordinate and assemble complete sets of contract documents utilizing Revit software. Familiarity with Sketchup and AutoCAD.
- Review and coordinate the work of the project consultant team.
- Demonstrated experience designing and coordinating complex building systems.
- Effectively communicate with design team members.
- Interface with permitting agency officials during the project phases.
- Positive attitude, desire and ability to learn and grow, self-motivation, and ability to contribute in a group environment.
- Strong organizational skills to effectively and successfully complete multiple projects simultaneously while maintaining attention to detail.
- At least 5 years of experience; healthcare or sports/rec experience is preferred.
- Bachelor's/Master's degree in Architecture.
- Architectural License preferred; LEED Accredited a plus.

Benefits:

- A fun, collaborative working environment.
- Employer paid medical/vision insurance (employee + family) and dental, life and disability (employee).
- Paid holidays, vacation and sick leave.
- 401K retirement plan.
- Defined contribution retirement plan.
- Continuing education stipend.

ALSC Architects is an EEO/AAP employer. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, disability or protected veteran status.
