

We bring our clients' stories to life.

BIM Manager

Are you looking to leverage your passion to bring client stories to life? Are you seeking a great work environment and quality of life balance? ALSC Architects is seeking an enthusiastic, collaborative BIM Manager to join our team.

ALSC is a team of creative professionals—who lead a clear principle-based design process delivering simple yet powerful architectural solutions authentic to our client's mission, culture and vision. We believe design has a profound opportunity and responsibility to inspire and make a difference in our lives.

Job Description

The BIM Manager position is responsible for maintaining the BIM environment at ALSC Architects. This position reports to the Director of Technical Design.

Responsibilities

- Coordinate development and implementation of BIM strategies and standards
- Create and maintain documentation of BIM standards and guidelines, including LOD
- Create and maintain Revit content, including templates and families, in alignment with company goals and project specific requirements
- Provide training and support to users, reinforcing the proper implementation of BIM strategies and content development
- Coordinate testing of new versions of Revit and plug-ins prior to deployment
- Evaluate Revit plug-ins and add-ons for possible use
- Troubleshoot issues on Revit models
- Advise the Director of Technical Design on implementation of BIM execution plan

Qualifications

- Five+ years production experience in architectural design or drafting using Revit
- Strong understanding of BIM LOD and AIA G202-2013 strongly preferred
- Excellent troubleshooting and diagnostic capabilities
- Strong written and verbal communication skills
- Possess the ability to work well both as a team member and independently

Benefits

- A fun, collaborative working environment
- Employer paid medical/vision insurance (employee + family) and dental, life and disability (employee)
- Paid holidays, vacation and sick leave
- 401K retirement plan
- Defined contribution retirement plan
- Continuing education stipend

ALSC Architects is an EEO/AAP employer. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, disability or protected veteran status.
